“ I first met Bill and his late wife Pat (Priscilla) at a memorial for my Aunt Teddy George November 2004 in Summerfield, Florida. Teddy was married to Pat's brother Richard. We have been friends since. It is with undescrivable sadness I learn of his passing. We stayed in communication through, emails, text, messenger and old fashioned letter writing. He called me his Yankee girl and he was my southern gent. I talked about driving back to Florida to visit friends when COVID allowed. I told him not to be surprised if there was a knock on his door. I would send him photos of the Maine snow and fall colors, he shared the southern countryside. He saw me through the loss of my Mom in 2007, my move home to New England in 2015 and the loss of 2 dogs.

*It saddens me that he won't be on the other side of that door when I make that drive south.*

*You will be forever in my heart my southern gentleman. Thank you for touching my life. It was so much richer with you in it and I know we will see each other again.*

*Love always,*

*Your Yankee girl*
