“ Danny and I started at Delta the same week in 1978. Even then he stood out from all the rest with his dedication, his professionalism, his enduring sense of humor.

We actually worked on Newt Gingrich's first political campaign together.

He was a good friend. He was my friend and I will forever treasure that friendship.

Danny I will not say goodbye just until we meet again.

“ We are sad to here that Danny was called back to The Lord so suddenly. Danny was introduced to us by our friends as their family Realtor. We quickly came to know and really trust him over the past few years as he showed as many, many properties. Genuine, Sincere, Professional, Nice Guy - all describe Danny. God Bless him, and his wife Kerri. We will certainly miss him.

“ When I worked with Danny at Delta he kept me in stitches with laughter. He had a low tolerance for BS and would call out the Delta leaders that slung it. Very refreshing. He also sold me my dream home when he was with Prudential. This world is a sadder place without him. He'll be missed by all.

“ *Kerri, I am so heartbroken for you and your family. I grew to love Danny and our time together at BHHS, he was truly one of a kind. I not only loved our time together in the office but really learned a lot from him regarding real estate. He was a super good source of information and funny stories from the past. I don't think I ever enjoyed a diet coke so much in my life and I will always value the time spent enjoying all things Danny Thompson. God Bless you and your family.*

“ So shocked and deeply saddened at the unexpected loss of our friend Danny. I can't even imagine the heartbreak of his adoring wife, Kerri, and his entire family as well. He was always a shining light in our office at BHHS Newnan/Coweta. If you were lucky enough to be in Danny's presence, then your day was automatically a better one! He could make you laugh so easily and just lifted the entire room with his hilarious jokes, and quirky comments that only he could get away with! I will greatly miss his smile - and casually walking into the office saying "wassup?". I'm grateful for the opportunity to have known and worked alongside this wonderful man and learned many things from his expertise in our industry. Always willing to give advice, share his experience and offer guidance on anything asked of him. Prayers of comfort to those of us who were blessed to know Danny. May we all somehow find comfort in our precious memories.

“ There is no doubt that Danny truly left a lasting impression on everyone he met. The sorrow is deep and each of us is a better person for knowing Danny. His ability to give to others was a true gift. His kindness, patience and humor were ever present even on his worst day. He was an amazing man! I will miss our chats in the office and his constant encouragement. My heart felt sympathy to you Kerri, for you have lost so much too soon and his family as well. May God wrap His loving arm's around you and bring you peace, comfort and strength in the coming day's and week's ahead.

“ It has been a pleasure to have worked with Danny over the last several years. He was always so willing to offer an encouraging word or lend a hand to anyone who needed it without expecting anything in return, I had the pleasure of seeing him assist many new agents as they began their career in real estate as well as experienced agents who might need assistance. He kept us smiling all the time. I will be keeping you all in thought and prayers. Please know if there is anything I can do for you please let me know.

“ I would like to offer my deepest condolences to your family. In times like these the Bible have proven to be of great comfort. The Bible book of John chapter 5 verses 28 and 29 holds out the hope of a resurrection for our loved ones who have past; and Joshua chapter 21 verse 45 lets us know that God fulfills his promises. I hope that these Bible verses will bring your family some comfort.

In this life there are certain people that touch your life and leave a lasting impression and Danny was certainly one of those people to me. Although I haven't seen Danny in person since my departure from Delta in 1996 thanks to social media I have been able to keep tabs on his accomplishments, birthdays and family activities and for that I'm thankful. I'm stunned and saddened that this world has lost such a good sole and a good friend to many. Do bless you Danny and Rest In Peace my friend

We were lucky and blessed to meet Danny back in 2002 when we first moved to Atlanta. I (Art) had just been transferred from Orlando and was in a bind and needed to find a place to live in a hurry. Danny spent the entire weekend with us to ensure that we got into the right home. We must have looked at 30 homes. I have never seen a man with the patience of saint like Danny. Danny never rushed us, but was more concerned that we were happy. We became friends after that and my entire family turned to Danny for all of the real estate needs. Danny was way more than our Realtor, he was our friend. We are so saddened, but know that G-D has a much bigger plan for him. I pray that G-D also gives Kerri Strength to get through this most difficult time. G-D bless Danny and Kerri.
