“ *I am so sorry to hear of her passing away. She was such a great lady. She used to always bring over vegetables from her garden, jams and always smiling! I know she will be missed greatly. I am so glad that I knew her, she was such a great friend of my grandmother. She taught my son to work hard for what he wanted and got me to eat my green beans when I was little. Love and great memories of this precious woman is what I will always keep in my heart.*

“ *Home made biscuits is one of my favorite foods and every time I was at Grandma's house, there were always home made biscuits. I remember one Christmas she made me a whole batch of biscuits and wrapped them up in a gift bag with a big note that said "Merry Christmas!"*

*Phillip, Carol and family,
We are so sorry to hear about your mother, mother in law, grandmother and great grandmother. But she is no longer suffering, and she has gone to meet her maker, and beloved husband.
I pray God will give you peace and comfort during these times.*
