“ Dear Mary Ann, My deepest sympathy to you and your family. I know through the years your husband had been in ill health and being the caregiver takes its toil as well. I shall never forget the kindness you had shown me when your son died in that tragic motorcycle accident. Your phone calls to me when my husband died were very much appreciated. That was a thoughtful thing to do. Please know you are in my thoughts and prayers. Love, Carol (Ahles)Ewan
