“ My thoughts are with Winfried, his wife Marina and his children Anna Maria and John all of whom I know love him deeply. Also our sister Margot and I have always loved him during our long standing journey and the different life chapters that each of us has written. I know that this is a difficult moment for all of us but I also know that we carry special memories that we have all enjoyed and shared over many years and will never forget. Peace be with him and all of you. Always, Hans
