“ Sending my condolences to Yolanda's family. I was her yoga teacher for a number of years, both at Vista Yoga and at the YMCA. When she stopped coming to the Y, I went looking for her and discovered she'd had a stroke. We bumped into each other I believe in 2021, she was with her nephew. It was so nice to see her, if only for a brief encounter. She was definitely one of a kind, with a fierce loyalty and strong opinions. I am sure she left a deep imprint on the family. So glad I knew her and I'm so sorry for your loss.

*With deepest sympathy,

*To the family. I'm not sure if you will see this or not since months have passed.
I'm so sorry for your loss. I met Yolanda in 1972. We were coworkers at a nursing home in the Bronx. I loved her, her mom Ms Margaret and of course Lawrence. Somehow we lost each other soon after Lawrence passed. I have missed her and tried unsuccessfully to make contact. She was on my mind so strongly, I just went online searching for her name. That's how I found out that she is gone. May she rest in peace reunited with her beloved mom and Lawrence.
To the family, Please accept my deepest sympathy. Though we weren't in touch I still miss her and am thankful for all the fun memories.*
