“ The night this picture was taken Miss Peaches told me that we were going to get our picture taken when I won. I told her I would try my best to make that happen. I made dang sure that photographer let her down from the stands that night. I will never forget the smile on her face when I saw her. This will always be my favorite picture of her. We will all miss you and we all love you Miss Peaches. Love Thomas

“ *R.I.P. Peaches. Growing up in the same neighborhood with you and your family are very fond memories. It may be many many years, but they sure flew by to fast. Lots of laughs and fun. I know you are healed now and I am so glad you are no longer hurting. Fly high sweet lady.*
