“ Jimmy, Don, and Chris, My heart and prayers go out to you guys in this time of sadness. Your mom was a great lady, teacher and friend and was very well respected in our hometown of Palmetto! I know she is with my mom watching over us now from Heaven and she will be seeing you again! Keep your faith and trust in The Lord and he will get you through the time of grief. May God bless your family and friends!

“ Zuline was a sweet friend I met in hospice in 2014 when she was there with Jim and I was there with my father. We visited daily and I called her after we both had left hospice and returned to our lives. I am truly sorry I did not do a better job of keeping up with her. I had picked up the phone only to be distracted just a couple of weeks ago. My heart is sad and I would have certainly attended her service had I known about it earlier today. Hugs to all her sons whom she loved so dearly!

“ My heart is a bit sad as Zuline has been on my heart and mind this past week and I was going to call this week to see about a visit; however, I have to celebrate with Zuline as she is now in heaven with our Lord and her precious husband. While her husband was a patient at Southwest Christian Care she and I became special friends.....she shared her sadness about soon being seperated from her loving husband but was excited about his going to heaven. She shared and stated to me, " I will so miss him, but I have to be excited about his going to heaven"..... "we just don't get excited enough about going to heaven"....."you now, all that God has prepared for us".....well during those special days at hospice she helped me make looking forward to our heavenly home a priority.....I now focus on what lies ahead.....I will always treasure Zuline's friendship and words of encouragement and will never forget her and look forward to seeing her again when we meet again in heaven. My prayers and thoughts are with all of the family as separation can be painful but Zuline caused me to place my focus on heaven and eternity and I pray many blessing on the Pulliam Family. I know you will miss this special lady.....who God used to bless me in so many ways.....I treasure the memories! Whenever anyone talks with me regarding growing old, our bodies wearing out or what is next.....I always share Zuline's words to me and all she shared with me....all that God has prepared for us and it always gives encouragement to all. I Love you Zuline!

“ Mrs. Pulliam was one of my teachers when I was a senior at Campbell High School. I had her for three classes in succession -- bookkeeping, second year shorthand and office practice. She was a wonderful teacher and a lovely person. I saw her a few years ago for the first time in 47 years and she remembered me. I was very surprised and pleased and we had a nice conversation which I will always remember.

“ *The first wedding I ever went to was for Uncle James and Aunt Zuline. I remember thinking how pretty she was in her wedding gown, and how special the ceremony seemed to be. Not sure how old I was, maybe six or seven, but I recall thinking how nice of all those folks to dress up to come see this kind and pretty lady on her special day.*

*I remember when she and James lives with us for a while when they first came to Atlanta.*

*She was still just as sweet and kind then as she was throughout her life.*

*So sorry that I will not be able to get to the service Sunday, but special prayers, love and hugs to the boys and their families. Deepest sympathy and sorrow for you all.*

“ *Bob and I met Zuline and Jim at Central Baptist Church. Zuline was  
faithful to Central and its activities. She was always pleasant and  
positive through all of life's journey, even the most difficult times.  
Zuline leaves a legacy of being a lovely, caring Christian lady.

“ Zuline was a very special lady. She was my third grade teacher when she taught in Gibson. She was my absolute favorite teacher and because of her influence, I also became a teacher. We "reconnected" a couple of years ago when I called her after learning where she was. We corresponded a few times, and she sent me some pictures of her family. She was so proud of all of you. Maria and I were in school together in Gibson, and my husband Earl was at Middle Georgia College with Peggy. Our thoughts and prayers are with you. May God surround each of you with His everlasting love.

“ Your family is in our Paul Anderson Youth Home family's prayers and will continue to be!! Zuline and Jim were BARNABUS, THE ENCOURAGERS to us from the day that Truett & Jeannette introduced them to us!! Their love of Jesus was contagious; many of our PAYH young men, staff, & volunteers are ETERNALLY GRATEFUL for them! Zuline epitomized the Proverbs 31 lady. Like Nehemiah said; "The JOY of THE LORD was her STRENGTH!" Because she endeared herself to all who knew her, we will miss her but we also REJOICE that she has been reunited with her BELOVED JIM, Truett, Jeannette, and all in "THAT GREAT CLOUD of witnesses!!
